NOMINATION DEADLINE CHANGE**

Ref: (a) OASN (FM&C) memorandum of 15 December 2008

Reference (a) provided guidance on submission of USD(C) award nominations. Subsequent to the release of this guidance, USD(C) changed their due date. To accommodate this change, the DON nomination deadline is changed to 13 February 2009. Nominations should continue to be submitted to the Office of the Assistant Secretary of the Navy (Financial Management & Comptroller), FMH-2, per reference (a).

In addition to the due date change, USD(C) amended guidelines, including the nomination categories. These changes are incorporated into the DoD Financial Management Regulation, Volume 1, Chapter 6. Please ensure nominations are compliant with the revisions in the regulation.
